## EQUITIES TRADING NOTICE

# Update - TSX Alpha Exchange

### Production

As a follow up to [Equity Trading Notice 2015-008](#), the previously announced production launch date has been moved to **Monday, September 21<sup>st</sup>** at the request of the trading community.

Further details specific to the actual migration strategy will be provided in a subsequent notice.

### Testing - Gateway Test Environment (GTE)

Please be reminded the Alpha changes are available for testing in GTE. For details related to the new Alpha trading model, please refer to [Equity Trading Notice #2015-005](#).

For additional information or assistance related to Alpha testing in GTE, please contact TMX Market Operations at (416) 947-4705.
