**Re: In Memory of Corey Dean**

TSX Venture Exchange joins the capital markets community in expressing our profound sadness following the recent passing of Corey Dean. Corey was highly respected as the Managing Partner of DuMoulin Black LLP, where he practiced corporate finance, securities and natural resource law in Vancouver for over 30 years. He served as a member of the Vancouver Local Advisory Committee to the TSX Venture Exchange, and as an instructor for courses on securities law, take-over bids and corporate governance matters offered by the TSX Venture Exchange, Continuing Legal Education and the Canadian Bar Association. Corey's invaluable contributions are immeasurable. He will be missed greatly. Our team extends sincere condolences to his family, friends and colleagues.
