

# TMX Operational Notice

## Reminder - Technical Changes for Enhancements to TSX/TSXV Dark Trading Functionality - CMO Order Type and Cancel on Disconnect Functionality

Further to Equities Trading Notices [2017-042](#), [2018-004](#) and [2018-009](#), and [Operational Notice](#) published on April 26, 2018, this is a reminder that functionality will be available in the Production Environment effective Monday, June 04, 2018.

This release is currently available in the GTE Environment for testing. Please ensure operational readiness for these changes. Updated order entry and feed specifications reflecting these enhancements are available through the TMX Equity Markets Documentation Portal [here](#).

For more information contact [TMX Market Operations](#) at (416) 947-4705.
