Temporary MOC Eligibility: TSX Preferred Shares

The Toronto Stock Exchange (TSX) is temporarily enabling all TSX listed Preferred Shares for the TSX Market on Close (MOC) facility effective July 19, 2018, to support rebalancing activities for changes in the S&P/TSX Preferred Share Index. The preferred shares will remain MOC eligible until the close of business on July 23, 2018, at which point their MOC eligibility will be disabled.

The MOC facility provides equal access and opportunity in setting the closing price, increased price discovery efficiency and reduced volatility of the closing price for symbols eligible for the MOC facility..
