TMX Operational Notice

Production Decryption Key Expiry and Rollover

Broadcast Feed recipients are advised that current Decryption Keys (DK) in the PRODUCTION environment expire at close of business on **Monday, October 15, 2018**. New keys will take effect on Tuesday, October 16, 2018

New keys are being distributed to all feed recipients this week.

For more information contact **TMX Market Operations** at **(416) 947-4357**.
