

# TMX Operational Notice

## TMX Operations - Holiday Network Change Freeze

Please be advised that TMX Operations will be entering a network change freeze. This is in effect from Friday, December 14, 2018 until Monday, January 7, 2019 at 5 PM EST (inclusively). During the freeze period there will be no under-floor access, circuit installs or network access changes to any of our services.

TMX Service Request Forms properly filled out and submitted during the change freeze will be processed and implemented in the order in which they were received after the change freeze has ended.

For more information contact TMX Market Operations at (416) 947-4705 or 1 (877) 588-8489.
