TMX Production Alert

January 09, 2019

Delayed Start of Day Messages

Clients are advised that start of day messages on all TSX, TSXV and Alpha market data feeds were delayed this morning and began sending at 4:21am. These messages include the symbol status and order book messages, which are normally disseminated at 3:05am and 3:25am, respectively. Clients are advised to recover any missed messages.

Please note that all TMX markets are currently operating normally.

For more information please contact TMX Market Operations at (416) 947-4705.
