# TMX Equities Trading Notice

## Changes to TSX Alpha Exchange Fees

We are pleased to announce that the changes to TSX Alpha Exchange fees previously announced in Equities Trading Notice [2019-021](#) have received regulatory approval and will take effect on June 1, 2019.

The changes being made to non-ETF fees are intended to further enhance available liquidity while also delivering additional savings for cost-sensitive active retail order flow.

The updated fee schedule showing the approved changes, and which takes effect June 1, 2019, is available [here](#).

For more information regarding this notice, please contact the [Account Management Team](#).
