## TMX DATALINX OPERATIONAL NOTICE

### TMX Information Processor - Scheduled Maintenance Work at Markham & Toronto

Please be advised the TMX Information Processor will be conducting maintenance work in the production environment at the Markham (MCC) & Toronto (TCF) data centres.

Maintenance at the MCC & TCF sites will take place Saturday August 10, 2019 from 00:01 to Sunday August 11, 2019, 23:30 ET.

The work may require the restarting of various feed publishers which may result in the re-transmission of messages. Please disregard any messages received during the maintenance period.

We apologize for any inconvenience this may cause.
