TMX DATALINX OPERATIONAL NOTICE

TMX Information Processor - Scheduled Maintenance Work at TCF

Please be advised the TMX Information Processor will be conducting maintenance work in the production environment at the Toronto (TCF) data centre.

Maintenance at the TCF site will take place Saturday September 21, 2019 from 00:00 to Sunday September 22, 2019, 23:30 EDT.

The work may require the restarting of various feed publishers which may result in the re-transmission of messages. Please disregard any messages received during the maintenance period.

We apologize for any inconvenience this may cause.
