TMX THE FUTURE IS YOURS TO SEE.

TMX Operational Notice

Gateway Test Environment (GTE) Decryption Key Expiry and Rollover

As a reminder, Broadcast Feed Decryption Keys (DK) in the Gateway Test Environment (GTE) expire and rollover at the end of day today, September 30, 2019. New DK keys take effect **tomorrow Tuesday, October 1, 2019.**

New keys have been distributed to all feed recipients. If you are missing any GTE Decryption Keys, please contact us immediately.

For more information contact TMX Market Operations at (416) 947-4705.
