

TMX Production Alert

Technical Issue with Subset of MOC Symbols - UPDATE with Symbols

We are currently investigating a technical issue impacting a subset of MOC-eligible securities with Stock Group 22.

Please find a list of symbols in stock group 22 that are impacted.

We are actively trying to re-run MOC for this stock group.

MOC for all other stock groups are not impacted.

For more information contact [TMX Market Operations](#) at (416) 947-4357.
