TMX INFORMATION PROCESSOR - PRODUCTION ALERT

March 5th Sequence Issue Involving CDF-CSE at MCC

Attention TMX Information Processor Clients

Yesterday afternoon, March 5th, an automated refresh on the CDF-CSE at MCC occurred which resulted in the TCF and MCC feeds being out of sequence.

Due to a monitoring issue, the standard alert was not generated. We continue to investigate the cause.

We apologize for any issues this may have caused.

For more information contact TMX Market Operations at (416) 947-4705
