## Scheduled Maintenance Work at MCC

Please be advised the TMX Information Processor will be conducting maintenance work in the production environment at the Markham (MCC) data centre.

Maintenance at the MCC site will take place from Saturday May 9, 2020, 00:00 to Sunday May 10, 2020, 23:30 ET.

The work may require the restarting of various feed publishers which may result in the re-transmission of messages. Please disregard any messages received during the maintenance period.
