

TMX Information Processor

PRODUCTION ALERT - Issue Affecting Omega and Lynx data on TMX IP Feeds via MCC and TCF Sites - UPDATE #1

Attention TMX Information Processor Clients

As an update to our previous alert, we have been notified that Omega is experiencing issues with Omega and Lynx data. This has impacted their data in all TMX IP feeds.

As a result, Omega and Lynx data will be pulled from the CBBO at both **MCC** and **TCF**.

Clients are reminded that they may deselect this source on CDB.
