TMX Information Processor

Scheduled Maintenance Work at Both MCC and TCF

Please be advised the TMX Information Processor will be conducting maintenance work in the production environment at both the **Markham (MCC)** and **Toronto (TCF)** data centres.

Maintenance at the MCC & TCF sites will take place **Saturday August 8th, 2020** from 00:00 to 23:30 ET.

The work may require the restarting of various feed publishers which may result in the re-transmission of messages. Please disregard any messages received during the maintenance period.

For more information contact TMX Market Operations at (416) 947-4705.
