

# TMX Information Processor

## PRODUCTION ALERT - Issue Affecting Nasdaq Feeds via TCF Site - Update #2

### Attention TMX Information Processor Clients

Nasdaq continues to work with its network provider and they will provide updates as they become available.

Due to the Nasdaq network provider issue at Toronto (TCF), please consume the CDF-Nasdaq Chi-X, Nasdaq CX2, and Nasdaq CXD feeds only from **Markham (MCC)** for the remainder of the day.

TMX IP have now removed Nasdaq as a source for the CBBO and CBBOP at **Toronto** only.

For more information contact TMX Market Operations at (416) 947-4705
