

TMX Information Processor

PRODUCTION ALERT - Issue Affecting CSE Feeds via MCC Site - Update #2

Attention TMX Information Processor Clients

CSE continues to work with its network provider and they will provide updates as they become available.

Due to the CSE network provider issue at Markham (MCC), please consume the CDF-CSE feed only from **Toronto (TCF)** for the remainder of the day.

TMX IP have now removed CSE as a source for the CBBO and CBBOP at **Markham** only.

For more information contact TMX Market Operations at (416) 947-4705
