

TMX Information Processor

PRODUCTION ALERT - Issue Affecting Nasdaq Feeds via TCF Site - Resolved

Attention TMX Information Processor Clients

Please be aware that Nasdaq support has resolved the issue that impacted TMX IP feeds at TCF yesterday (September 1). Nasdaq CXC, CX2 and CXD data are now available for CDF and consolidated feeds at both Markham (MCC) and Toronto (TCF) locations.

For more information contact TMX Market Operations at (416) 947-4705
