

TMX Operational Notice

Reminder: TMX Datalinx Product Announcement

TMX Market Operations is reminding all clients that the Calculated Opening Price (“COP”) and 16:00 London Time enhancements as announced in [Product Announcement 2020-005](#) will be made available on the Toronto Stock Exchange and the TSX Venture Exchange production environment, **effective October 19th, 2020.**

Updated specifications and technical details for this change can be found on the [TMX Webstore](#). These changes are currently available in our GTE environment for testing and validation.

For more information regarding this notice, please contact the TMX Datalinx Product team:

Dave Hill - Director, Commercial Management - dave.hill@tmx.com

Emma Moogk - Product Analyst, Subscription Data Services - emma.moogk@tmx.com

For more information contact [TMX Market Operations](#) at (416) 947-4357.
