

TMX Information Processor

PRODUCTION ALERT - Issue Affecting TMX IP CBBO at MCC site

Attention TMX Information Processor Clients

Please be aware that TMX IP experienced an issue impacting CBBO, CLS and CDB feeds for OMEGA at **Markham (MCC)** location.

The **Toronto (TCF)** site is unaffected. Clients are advised to consume these feeds from Toronto (TCF) for the remainder of the day.

OMEGA has confirmed the issue with dissemination of their A market data from 11:40AM to 11:49AM.

For more information contact TMX Market Operations at (416) 947-4705
