By-Pass Marker - Deferred Until Monday, June 8th

As a precautionary measure, Toronto Stock Exchange and TSX Venture Exchange have elected to delay by one week the release that includes the By-Pass Marker implementation in order to do further testing. The release will now occur on Monday, June 8th.

Please note - this does not impact the By-Pass functionality. The code in GTE (Gateway Testing Environment) is stable. No further external testing is required.

Please ensure that you do not route By-Pass Orders throughout the week of Monday, June 1st as those orders will be rejected.

For additional information please contact your TMX Account Manager.
