Re: Amendments to the Rules of the Toronto Stock Exchange to Update the Order Designation Provisions Including Normal Course Issuer Bid (NCIB) Markers and Use of Dedicated Private Field when Marking NCIB Orders

The Ontario Securities Commission has approved amendments to the Rules of the Toronto Stock Exchange (TSX) to update Rule 4-403 Designating Orders. The rule amendment now formalizes the requirement that an order for the account of an issuer that is purchasing pursuant to an NCIB must contain a designation acceptable to TSX.

Participating Organizations (POs) and Members of TSX and TSX Venture Exchange should use the dedicated private field when marking NCIB orders. However, POs and Members are permitted to continue using the "Account ID" field to denote NCIB orders if the dedicated private field cannot be accessed.

POs and Members of TSX and TSX Venture Exchange who cannot access the dedicated private field should contact Julie Shin, Director, Listed Issuer Services, TSX by email or phone at julie.shin@tsx.com or (416) 947-4539.

This rule change comes into effect on August 14, 2009.

The amendments are attached as Schedule A.

If you have any questions about the rule amendment, please contact Deanna Dobrowsky, Director, Regulatory Affairs, TMX Group at (416) 947-4361.
