## TMX MARKETS

### EQUITY TRADING FEE CHANGE NOTICE

Please be advised of the following changes to the TMX Markets Trading Fee Schedule effective February 1, 2010, subject to regulatory approval.

The TMX ETF Options Market Maker Rebate program, introduced February 1, 2009, will be discontinued effective February 1, 2010. The program was successful in meeting its objectives of tightening spreads and increasing trading activity on the Bourse de Montreal ("MX"). The discontinuation of the program is being made in conjunction with the continued evolution of other components of the MX Market Maker program to further encourage growth in the ETF and options sector.

Please refer to the attached Schedule of Fees which reflects all changes effective February 1, 2010.

Please contact your TMX account manager with any questions.
